

Thank you

Stop QIP would like to thank the following dairymen for their work in putting together the Sunset Plan proposal. As original Regional Representatives of United Dairy Families of California, these men boldly suggested that there was a better way. With their help, the industry has been given the opportunity of self-determination and the right to vote on the future of the QIP.

LUCAS DENIZ - ZENDI FARMS

ARLIN VAN GRONINGEN - NEW HOPE DAIRY

GINO PEDRETTI III - PEDRETTI RANCHES
